The Anchorage Building, 17-19 Sir John Rogerson Quay, Dublin, Ireland

Project : The Anchorage Building, 17 – 19 Sir John Rogerson Quay, Dublin, Ireland.

Architect: HKR Dublin

Builder: P Elliott and Co. Ltd

Value: € 825 K

System: The Kawneer 1202 SSG (Structural Silicone Glazed) curtain wall systems incorporates a combination of 2.0 metre high, outward opening and inward opening side hung vents. This detailing creates very flush finishes on all façades elevations.
